

IN THE DRAWINGS:

The Office Action indicates that replacement drawings are required because the handwritten drawings have non-uniform lines and the text/numbers within some of the drawings are illegible. Enclosed herewith for filing are five replacement sheets of drawings in compliance with 37 C.F.R. § 1.121(d). Each replacement sheet has been labeled "REPLACEMENT SHEET" in the header.

The Applicants submit that the foregoing replacement sheets add no new matter to the application.
